Other things to know

Agenda:

Parties start with everyone making an “aquatic critter” nametag. Next, the group sets out on a guided tour of the Aquarium, including a stop at the Touch Tank. Then it's back to the party room for food, refreshments and cake, plus a Maritime Aquarium t-shirt for guest of honor. Finish up with a paper craft activity or a guided trip into the Aquarium's special exhibit an Maritime Hall to visit the Ray Touch Pool.

Decorations:

May be brought in 30 minutes prior to a party. We prefer that masking tape be used to secure decorations. And, because of their potential harm to the environment, we ask that you do not bring balloons into the Aquarium.

Food:

Bring your own cake. But, with the exception of birthday cakes, The Maritime Aquarium does not allow food and drinks to be brought into the building. Four birthday-party food packages are available through the Aquarium's on-site food service concessionaire. Beverage choices include: fruit punch, apple juice, Pepsi, diet Pepsi or 7-up. We can provide paper products and service for the lunch and cake at no extra charge.

Payment:

Full payment is required at the time a reservation is made. You may pay with Visa, MasterCard, AmEx, cash or check (made payable to The Maritime Aquarium). Refunds can be made for cancellations three weeks or more before your party.

Can parents of party guests stay too? Parties for children are limited to a total of 25 people (children and adults). People who are not included in the birthday party group but are associated with the party (i.e. drivers of guests), can obtain discount coupons for \$3 OFF Aquarium only admission on the day of the celebration from the birthday party guide when they drop off the guest. These coupons are to be used that day only! This allows other parents to remain at the Aquarium for the duration of the birthday party without being one of the 25 in your party group.

- Customized “goody bags” are available from our Gift Shop. Call 203-852-0700, ext. 2236 for details.
