Traveling Birthdays

“Crabs and Critters” Come to You!

Invite some crabs and other critters from The Maritime Aquarium at Norwalk into your home this summer for a birthday party your kids and guests are sure to remember. They will have a great time, get to touch the animals, and will learn something too. It is a face-to-face close encounter they will enjoy and remember.

Our 45-minute traveling birthday party program is for groups up to 25, ages 4 to 12; we leave a crab craft as a gift for each party guest.

Cost is just \$185 (\$175 for Aquarium members). We are available for weekends and some weekdays through the summer. (There is an additional fee for travel outside a 20-mile radius of The Aquarium.)

Call Reservations: (203) 852-0700, ext. 2206, to book your Traveling Birthday Party!
